

Virtual Networking and Building your Digital Presence

September 2021

Set up and stay in touch with your network on the following sites:

LinkedIn– create your profile, tap into relationships; build your business network, and find contacts that are already on LinkedIn

Facebook– major social media platform

www.whatsapp.com – major international social media & calling platform

[WeChat - Free messaging and calling app](#) additional international platform

[Twitter. It's what's happening / Twitter](#) - post 280 character tweets: observations, opinions, etc. You can also select companies and individuals to follow and read their tweets

www.blogspot.com – This site allows you to get a free domain or buy a custom blog. You can also create a **Google+ account** from your basic email and use it to find people by areas of interest and create or join circles.

www.godaddy.com – Website hosting for a monthly fee

www.jibberjobber.com - Organize your job search and manage relationships

www.meetup.com - Do something. Learn something. Share something. Change something with and through the people and groups you meet on this site.

[Nextdoor](#)– Connect locally with your neighborhood

[Pinterest](#) -a content sharing service that allows members to “pin” images

[Quora - A place to share knowledge and better understand the world](#)– Ask and answer questions

[Reddit - Dive into anything](#)– submit content and later vote for content in various categories

www.ryze.com – connect with past business contacts and make new ones

Talk, chat, collaborate and interview: [Video Conferencing, Cloud Phone, Webinars, Chat, Virtual Events | Zoom](#) and [Skype | Communication tool for free calls and chat](#)

[Tumblr](#) – Make stuff, look at stuff, talk about stuff, find your people

www.vistaprint.com/ - Select digital marketing. Build your website on this site. Select from website builder, web design services and website domains.

[WordPress.com: Create a Free Website or Blog](#) – Create your website or start a private or public blog with your email address and the tools from this website.

www.youtube.com & www.instagram.com & [Snapchat - The fastest way to share a moment!](#) & [. | Flickr](#) & [TikTok - Make Your Day](#) for sharing videos and photographs
