

USEFUL WEBSITES FOR YOUR JOB SEARCH

September 2021

www.indeed.com and www.simplyhired.com are 2 powerful job listing sites with advanced search features that use spider technology to search jobs by your location and key words.

www.craigslist.org - This website is useful for locating openings in small and midsize organizations, especially in the arts, writing & publishing, technical design and nonprofit areas.

<https://www.linkedin.com/> – Specify areas of interest in the “Jobs” area and LinkedIn will deliver matching positions to your online profile once you have created a profile

<https://www.facebook.com> now allows companies to post job ads via their profiles. You can apply through a form pre-populated from your profile.
